

## [Guide Outside Ltd - Sample Itinerary – The North Yorkshire Moors](#)

- ❖ We offer a Bespoke Tour of The North Yorkshire Moors for customers looking for a small personalised private tour; we tailor each Tour to your exact requirements.
- ❖ This is just one example of the Tours we can offer in The North Yorkshire Moors.

### [Green Tracks and Train Tracks](#)

We offer [Green Tracks and Train Tracks](#) as a multi day [Professional Blue Badge Guided](#) tour.

We can provide an itinerary and accommodation to suit your taste and budget and we arrange everything to reduce the stresses of organising a holiday.

#### Places to Visit

There are so many places to visit in the North Yorks Moors, it would be impossible to visit all of them in one week! (see map below) We can walk some of the 2300 km of paths and tracks in The North Yorkshire Moors, or take you to some of the Abbeys and ancient churches, or enjoy a day out on the world famous Steam Railway. Let us help you select the places you might like to visit depending on your preferences.

#### The Terrain

Our walks are along generally easy going valleys, through farmland and woodland, and on the purple heather cladded moors.

Some of the walks are along secretive out-of-the-way paths that are hidden gems !

#### Where do we Stay Overnight ?

There is a wide scope of accommodation options available in the North Yorkshire Moors, including ' Pub Hotels' and secluded Luxury Hotels. Normally we would make a ' 2 centre' holiday with one stay near castle Howard, and the other near Whitby.

You decide what type of accommodation you would like, and we arrange it for you from the selection of quality establishments that we know.

#### Luggage Transfers

We transfer your luggage between each accommodation using our own vehicle.

#### Backup Service

We take Refreshment stops serviced by our vehicle and back-up crew every few hours.

On a couple of days we take a ' pub lunch' as these are a speciality of The North Yorkshire Moors and must be tried !

We think this makes the walking as enjoyable as it possibly can be !

#### Digital Photography

We take digital photos during your holiday and provide these on CD-ROM for you at the end. We make a hand produced laminated collage as a special reminder of Your Holiday.

## Our Fees

For our Professional **Blue Badge** Guide service we use our licensed MPV, this has comfortable space for up to 5 walkers and their luggage.
