St. Cuthbert' s Way

We offer St. Cuthbert' s Way as a multi day [Professional Blue Badge-Guided](#) tour.

We can provide an itinerary and accommodation to suit your taste and budget and we arrange everything to reduce the stresses of organising a holiday.

Places to Visit

St. Cuthbert' s Way is 100 k/62.5 mile linear walk from Melrose to Lindisfarne Island. We begin at Melrose Abbey where St. Cuthbert began his ministry and pass by the Eildon Hills to Dryburgh Abbey, and along the banks of the River Tweed. Close by is a statue of William Wallace reminding us of the turbulent history of this Border area. We have the option to visit Jedburgh, one of the Great Border Abbeys.

Onward to Kirk Yetholm, end (or beginning) of the famous Pennine Way, and passing over the border from Scotland to England we continue to Wooler.

We pass St. Cuthbert' s cave where his remains were taken for safety in the 9th century. Finally we cross the causeway to Holy Island and the magnificent ruins of St. Mary' s Priory that St. Cuthbert knew so well.

The Terrain

The walk passes through farmland, river valleys, woodland, rolling moorland and coastal sand dunes and a causeway only passable at low tide.
